

Dear Store Manager,

I would like you to consider carrying Vance's DariFree and Enjoy Life products in your Store.

DariFree and Enjoy Life products are **gluten free and free of wheat, dairy, peanuts, tree nuts, eggs, soy, fish & shellfish (&more!)**

Vance's DariFree is a unique potato-based milk alternative. It has been designed to be very **low allergen**, is vitamin enriched, Kosher certified, **contains as much calcium as milk** and tastes great! It is available in Original (plain) or Chocolate flavours.

Enjoy Life makes fabulous ready-made foods free of the most common allergens so everyone can enjoy their cookies, snack bars, chocolate chips and NEW chocolatey bars! They use **only all natural ingredients** that are **trans fat free, kosher certified, vegetarian** (some are vegan) and **free of GMO's**. Their products are not only nutritious but delicious!

These products would appeal to many of your customers who are dealing with coeliac disease, gluten intolerance, food allergies, food intolerances, metabolic disorders, other specialty diets and anyone following dietary intervention for autism.

These products are distributed in Australia by Allergy Friendly Foods and to request further information & product samples please email [kris@allergyfriendlyfoods.com.au](mailto:kris@allergyfriendlyfoods.com.au) or call 07 5522 8731

Thank you for your consideration!
